3 Things I Absolutely Should Know Today

HCLTech Inaugurates Global Technology Center in GIFT City, Gujarat

What happened: HCLTech opened a new Global Technology Center in GIFT City, Gujarat, focusing on AI-led solutions for the financial services sector and signing MOUs with IIT Gandhinagar and Gujarat Technological University to develop tech talent.

Why you should care: The center creates internship, training, and recruitment opportunities for Diploma IT students in India, especially in emerging AI and fintech domains.

Impact: Medium
